GLISTENING PERFECTION  
AUTOMOTIVE RENEWAL SERVICE  
ESTD 1995

761 W. 16th Street  
Costa Mesa CA 92627

QUALITY, SPEED, VALUE...ALL COMING TOGETHER TO MEET YOUR NEEDS BY A BRAND YOU TRUST

## GP Fastrak is our newest offering curated for those searching for the most requested services - Ceramic, PPF, and Tint

We took the guesswork out of the various combinations and made one simple solution to streamline your experience at the Asylum

### Ceramic Coating

Essential level service comprising our Phase 2 Exterior Rejuvenation service, hand polish to refine the paint, and one coat of CQuartz SiC ceramic coating

### PPF Services

Essential Plus level full front installation. Full hood, full fenders, front bumper, headlights/fog lights, and mirrors protected with strategically wrapped edges using our customized patterns and top-tier XPEL Ultimate Plus material

### Ceramic Tint

Essential level ceramic film provides performance and value. Skillfully installed by our orderlies, you'll experience excellent UV protection, comfortable heat rejection, and a clean charcoal look using Autobahn Black Ceramic material

*I had narrowed it down to couple shops but with the glowing reviews I read on the Rennlist Porsche forum I was leaning towards Glistening Perfection. After talking to Moe I was convinced and felt I could trust him with my wife's new 2024 Porsche 718 Boxster S.*

**H.A.** 2024 Porsche 718 Boxster S

*I asked Moe for a tailored expedited approach for my 812 GTS. Car washed and prepped, tinted windows, polished, applied full vehicle PPF and ceramic coating, all completed in less than 2 weeks. Didn't think it would be possible. I am extremely happy with fast turnaround with nothing short of stunning results*

**B.R.** 2024 Ferrari 812 GTS
